The Editor

Mediterranean Journal of Hematology and Infectious disease

Sir,

We wish to submit an article titled 'Osteolytic bone lesions- A rare presentation of AML M6' to be considered as a case report in your journal.

The material is neither published elsewhere nor under consideration for publication in another journal. There are no personal conflicts of interest of any of the authors and the work had not been supported by an outside source. All of us have read and approved the contents of the manuscript and all have contributed to the manuscript. This report doesn't breach the privacy of the patient.

Please consider this paper for publication in your journal

Thank you.
